

KEANE-TATOR SURFACE PROFILE COMPARATOR & MAGNIFIER

LD2051, LD2052, LD2053, LD2054

DATASHEET

PRODUCT DESCRIPTION

Keane-Tator Comparators; Sand, Grit, Shot

BUSINESS

Coating Laboratories

APPLICATION AREA'S

Comparators allow the estimation of surface roughness by both touch and sight. Surface Profile: The proper and effective preparation of a surface prior to coating is essential. Making sure that the correct roughness – or profile – has been generated is essential.

If the profile is too low, the adhesion of the coating to the surface will be reduced. Too high and there is the danger that the profile peaks will remain uncoated – allowing rust spots to occur.

**STANDARDS**

ASTM D 4417 Method A

FEATURES

- Three versions: sand, grit and shot
- Five different grades of roughness in each comparator
- Designed to be used with the illuminated magnifier
- Available in Imperial units only

ORDERING INFORMATION

Art. No	Description	Section Profiles	Profile disc
LD2051	Surface profile comparator	0.5-4 mils	Sand
LD2052	Surface profile comparator	1.5-5.5 mils	Grit
LD2053	Surface profile comparator	2-5.5 mils	Shot
LD2054	Surface Profile Disc Holder And x5 Magnifier	-	-

OPTIONAL ITEMS

LD2054 Surface Profile Disc Holder and x5 Magnifier

DISCLAIMER

The right of technical modifications is reserved.

The information given in this sheet is not intended to be exhaustive and any person using the product for any purpose other than that specifically recommended in this sheet without first obtaining written confirmation from us as to the suitability of the product for the intended purpose does so at his own risk. Whilst we endeavour to ensure that all advice we give about the product (whether in this sheet or otherwise) is correct we have no control over either the quality or condition of the product or the many factors affecting the use and application of the product. Therefore, unless we specifically agree in writing to do so, we do not accept any liability whatsoever or howsoever arising for the performance of the product or for any loss or damage (other than death or personal injury resulting from our negligence) arising out of the use of the product. The information contained in this sheet is liable to modification from time to time in the light of experience and our policy of continuous product development.
